

COMPLETE ITALIAN COURSE

All Explanations in English

Italian Grammar • Vocabulary • Examples • Practice

30 Complete Lessons

Italian Examples + English Meaning

Revision Tests • Answer Key • Reference

A structured 80-page Italian language course for classroom and independent study

A1-B1/B2 CORE GRAMMAR PATHWAY

GETTING STARTED

How to Use This Book

Learn Italian through English explanations, Italian examples, and repeated practice.

What You Will Learn

- Core Italian grammar from pronunciation and articles to pronouns, past tenses, future, conditional, subjunctive, relative clauses, and passive structures.
- Practical sentence patterns for introductions, school, work, travel, everyday conversation, and written communication.
- High-frequency vocabulary and model sentences that connect grammar to real communication.
- A progressive system of guided practice, review tests, answer keys, and reference tables.

Recommended Study Method

1. Read the English explanation and identify the Italian pattern.
2. Say every Italian example aloud and read its English meaning.
3. Copy two model sentences, then change one element to create new examples.
4. Complete the guided practice without checking the answer key.
5. Review mistakes by writing the grammar rule in English.

Italian Learning Checklist

- Article + noun: learn gender and plural together.
- Verb: know the infinitive, present form, and important irregular forms.
- Agreement: check nouns, adjectives, possessives, and participles.
- Pronouns: identify exactly what each pronoun replaces.
- Tense: distinguish completed events from background/habit in the past.
- Pronunciation: read every new vocabulary item aloud.

Suggested 8-Week Route

- Week 1: Lessons 1-4 - pronunciation, greetings, essere, avere.
- Week 2: Lessons 5-8 - nouns, articles, regular and irregular present verbs.
- Week 3: Lessons 9-12 - adjectives, questions, numbers, prepositions.
- Week 4: Lessons 13-16 - possessives, demonstratives, modals, reflexives.
- Week 5: Lessons 17-20 - object pronouns, ci/ne, passato prossimo.
- Week 6: Lessons 21-24 - imperfetto, tense contrast, future, imperative.
- Week 7: Lessons 25-28 - comparison, relatives, conditional, subjunctive.
- Week 8: Lessons 29-30 + revision tests and answer review.

REFERENCE

Table of Contents

Lessons 1-15

Lesson	Topic	Pages
1	Italian Alphabet and Pronunciation	5-6
2	Greetings and Introductions	7-8
3	Subject Pronouns and ESSERE	9-10
4	AVERE and Common Expressions	11-12
5	Nouns: Gender and Number	13-14
6	Definite and Indefinite Articles	15-16
7	Regular Present-Tense Verbs	17-18
8	Common Irregular Present Verbs	19-20
9	Adjectives: Agreement and Position	21-22
10	Questions and Negatives	23-24
11	Numbers, Dates, and Time	25-26
12	Simple and Articulated Prepositions	27-28
13	Possessive Adjectives and Pronouns	29-30
14	Demonstratives and C'È / CI SONO	31-32
15	Modal Verbs: POTERE, DOVERE, VOLERE, SAPERE	33-34

Learning Map - Part I

- Lessons 1-4: sound system, greetings, and essential identity verbs.
- Lessons 5-8: nouns, articles, and present-tense verb systems.
- Lessons 9-12: agreement, questions, numbers, and prepositions.
- Lessons 13-15: possession, demonstratives, and modal verbs.

Part I Goal

- By the end of Lesson 15, you should be able to build accurate everyday Italian sentences with correct articles, agreement, present-tense verbs, and common prepositions.

REFERENCE

Table of Contents

Lessons 16-30, revision and reference

Lesson	Topic	Pages
16	Reflexive Verbs and Daily Routine	35-36
17	Direct Object Pronouns	37-38
18	Indirect Object Pronouns	39-40
19	CI, NE, and Combined Pronouns	41-42
20	Passato Prossimo	43-44
21	Imperfetto	45-46
22	Passato Prossimo vs Imperfetto	47-48
23	Future Simple	49-50
24	Imperative and Commands	51-52
25	Comparatives and Superlatives	53-54
26	Relative Pronouns: CHE and CUI	55-56
27	Conditional Present	57-58
28	Present Subjunctive: Introduction	59-60
29	Passive Voice and SI Impersonale	61-62
30	Connectors and Complex Sentences	63-64

Course Sections After Lesson 30

- Pages 65-72: eight cumulative revision tests covering the entire course.
- Pages 73-78: answer keys and correction methods.
- Page 79: high-frequency irregular Italian verbs reference.
- Page 80: one-page Italian grammar quick guide.

Part II Goal

- By the end of Lesson 30, you should control the main past and future tenses, clitic pronouns, comparisons, relative clauses, polite conditional forms, basic subjunctive use, and common passive/impersonal structures.

LESSON 01 - CORE ITALIAN

Italian Alphabet and Pronunciation

Italian examples with clear English explanations

Learning Objectives

- Understand the main rule system for Italian alphabet and pronunciation.
- Recognize the pattern in Italian examples and explain it in English.
- Use the target structure accurately in short spoken and written sentences.

Concept	English explanation	Italian example + English meaning
c + a/o/u	Usually a hard /k/ sound.	casa = house; cosa = thing
c + e/i	Usually a /ch/ sound.	cena = dinner; cinema = cinema
ch + e/i	Keeps the hard /k/ sound before e or i.	che = what/that; chi = who
gn / gli	Special consonant groups that need practice.	lasagna; famiglia = family

Core Rules

- Italian vowels are generally clear and stable: a, e, i, o, u.
- A double consonant is pronounced longer than a single consonant: pala vs palla.
- Most words are stressed on the second-to-last syllable, but there are important exceptions.
- An accent mark may show final stress: città, perché, caffè.

Model Sentences

- Ciao! - Hi / Bye.
- Buongiorno! - Good morning / Good day.
- Grazie mille. - Thank you very much.
- La famiglia è italiana. - The family is Italian.

Mini Vocabulary

- ciao = hi / bye
- grazie = thank you
- città = city
- famiglia = family
- scuola = school

Study Note

- Italian spelling is highly regular. Learn a small set of letter combinations and stress patterns, and you can read many unfamiliar words confidently.

LESSON 01 - PRACTICE

Italian Alphabet and Pronunciation

Common errors, guided practice, and independent production

Common error	Correct form	English explanation
"ce" pronounced like /k/	"ce" is usually pronounced like English "che".	Compare cena and casa.
Ignoring double consonants	Hold double consonants longer.	anno and ano are not pronounced the same.

Guided Practice - answer without looking at the key

1. How is "ci" usually pronounced?	2. What does "ch" do before e/i?
3. What is special about double consonants?	4. Read aloud: casa, cena, chi, gelato.
5. Write two words with an accent mark.	6. What does famiglia mean?
7. Which word has a double consonant: anno or ano?	8. Write one Italian greeting.

Mastery Challenge

- Write 5 original Italian sentences using the grammar from this lesson.
- Translate each sentence into English and underline the target structure.
- Read the Italian sentences aloud twice to connect grammar with pronunciation.

Answer Space / Personal Notes

- _____
- _____
- _____
- _____

Remember

- Italian spelling is highly regular. Learn a small set of letter combinations and stress patterns, and you can read many unfamiliar words confidently.

LESSON 02 - CORE ITALIAN

Greetings and Introductions

Italian examples with clear English explanations

Learning Objectives

- Understand the main rule system for greetings and introductions.
- Recognize the pattern in Italian examples and explain it in English.
- Use the target structure accurately in short spoken and written sentences.

Concept	English explanation	Italian example + English meaning
informal greeting	Use ciao with friends and familiar people.	Ciao, Marco! = Hi, Marco!
formal greeting	Use buongiorno / buonasera in polite situations.	Buonasera, signora. = Good evening, madam.
asking a name	Come ti chiami? is informal; Come si chiama? is formal.	Mi chiamo Anna. = My name is Anna.
origin	Di dove sei? / Di dov'è? asks where someone is from.	Sono di Roma. = I am from Rome.

Core Rules

- Use piacere when meeting someone: Piacere! = Nice to meet you.
- Lei is written with a capital L in careful formal writing, although lowercase is also seen.
- Sono + nationality/origin is common: Sono italiano; Sono di Milano.
- Buonanotte is normally used when leaving for bed, not as an opening evening greeting.

Model Sentences

- Come stai? - How are you?
- Sto bene, grazie. - I am well, thank you.
- Piacere di conoscerla. - Nice to meet you.
- A presto! - See you soon!

Mini Vocabulary

- buongiorno = good morning/day
- buonasera = good evening
- piacere = nice to meet you
- come = how
- presto = soon

Study Note

- Italian uses informal and formal forms. Tu is informal singular "you"; Lei is the common polite singular form. Greetings vary by time of day and level of formality.

LESSON 02 - PRACTICE

Greetings and Introductions

Common errors, guided practice, and independent production

Common error	Correct form	English explanation
Ciao to a formal customer	Prefer Buongiorno / Buonasera.	Match the greeting to the situation.
Come ti chiama?	Come ti chiami?	The reflexive verb agrees with tu.

Guided Practice - answer without looking at the key

1. Translate: Good evening, madam.	2. Ask informally: What is your name?
3. Answer: My name is Luca.	4. Ask formally: Where are you from?
5. Translate: Nice to meet you.	6. What pronoun is common for formal singular "you"?
7. Write a farewell meaning "see you soon".	8. Translate: I am from Florence.

Mastery Challenge

- Write 5 original Italian sentences using the grammar from this lesson.
- Translate each sentence into English and underline the target structure.
- Read the Italian sentences aloud twice to connect grammar with pronunciation.

Answer Space / Personal Notes

- _____
- _____
- _____
- _____

Remember

- Italian uses informal and formal forms. Tu is informal singular "you"; Lei is the common polite singular form. Greetings vary by time of day and level of formality.

LESSON 03 - CORE ITALIAN

Subject Pronouns and ESSERE

Italian examples with clear English explanations

Learning Objectives

- Understand the main rule system for subject pronouns and essere.
- Recognize the pattern in Italian examples and explain it in English.
- Use the target structure accurately in short spoken and written sentences.

Concept	English explanation	Italian example + English meaning
subject pronouns	io, tu, lui/lei, noi, voi, loro.	Io sono studente. = I am a student.
essere forms	sono, sei, è, siamo, siete, sono.	Noi siamo pronti. = We are ready.
pronoun omission	A subject pronoun is usually optional when the meaning is clear.	Sono stanco. = I am tired.
identity / description	Essere links the subject to identity, nationality, profession, or adjective.	Lei è italiana. = She is Italian.

Core Rules

- Memorize essere as a complete set because it is highly irregular.
- Use è with an accent for “is”; e without an accent means “and.”
- Adjectives after essere still agree with the subject: Marco è stanco; Anna è stanca.
- Profession nouns often appear without an article after essere: Sono medico.

Model Sentences

- Sono felice. - I am happy.
- Sei di Roma? - Are you from Rome?
- Siamo studenti. - We are students.
- Loro sono a casa. - They are at home.

Mini Vocabulary

- essere = to be
- stanco = tired
- felice = happy
- pronto = ready
- studente = student

Study Note

- Essere means “to be” and is one of the most important irregular verbs. Italian often omits subject pronouns because the verb ending identifies the subject.

LESSON 03 - PRACTICE

Subject Pronouns and ESSERE

Common errors, guided practice, and independent production

Common error	Correct form	English explanation
Io è italiano.	Io sono italiano.	io uses sono.
Noi siete pronti.	Noi siamo pronti.	noi uses siamo.

Guided Practice - answer without looking at the key

1. Complete: Io ___ stanco.	2. Complete: Tu ___ gentile.
3. Complete: Noi ___ qui.	4. Complete: Voi ___ pronti.
5. Translate: They are at home.	6. Translate: She is Italian.
7. What does è mean?	8. Write one sentence with essere + adjective.

Mastery Challenge

- Write 5 original Italian sentences using the grammar from this lesson.
- Translate each sentence into English and underline the target structure.
- Read the Italian sentences aloud twice to connect grammar with pronunciation.

Answer Space / Personal Notes

- _____
- _____
- _____
- _____

Remember

- Essere means “to be” and is one of the most important irregular verbs. Italian often omits subject pronouns because the verb ending identifies the subject.

LESSON 04 - CORE ITALIAN

AVERE and Common Expressions

Italian examples with clear English explanations

Learning Objectives

- Understand the main rule system for avere and common expressions.
- Recognize the pattern in Italian examples and explain it in English.
- Use the target structure accurately in short spoken and written sentences.

Concept	English explanation	Italian example + English meaning
avere forms	ho, hai, ha, abbiamo, avete, hanno.	Ho un libro. = I have a book.
age	Italian says "to have years."	Ho vent'anni. = I am twenty years old.
physical states	Use avere with fame, sete, caldo, freddo, sonno.	Abbiamo fame. = We are hungry.
possession	Use avere for ownership and relationships.	Hanno due figli. = They have two children.

Core Rules

- The h in ho, hai, ha, hanno is not pronounced, but it is required in writing.
- Do not use essere for age: Ho 25 anni, not Sono 25 anni.
- Avere paura means "to be afraid"; avere bisogno di means "to need."
- Objects after avere normally follow the verb directly.

Model Sentences

- Hai tempo? - Do you have time?
- Ho sete. - I am thirsty.
- Abbiamo una macchina. - We have a car.
- Hanno bisogno di aiuto. - They need help.

Mini Vocabulary

- fame = hunger
- sete = thirst
- sonno = sleepiness
- paura = fear
- bisogno = need

Study Note

- Avere means "to have." It also appears in many expressions where English uses "to be," especially age, hunger, thirst, fear, heat, and cold.

LESSON 04 - PRACTICE

AVERE and Common Expressions

Common errors, guided practice, and independent production

Common error	Correct form	English explanation
Sono vent'anni.	Ho vent'anni.	Age uses avere.
Io o fame.	Io ho fame.	The verb form is ho.

Guided Practice - answer without looking at the key

1. Complete: Io ___ fame.	2. Complete: Voi ___ due figli.
3. Translate: She is 30 years old.	4. Translate: We are thirsty.
5. Complete: Loro ___ paura.	6. What does avere bisogno di mean?
7. Translate: Do you have time?	8. Write one sentence with avere.

Mastery Challenge

- Write 5 original Italian sentences using the grammar from this lesson.
- Translate each sentence into English and underline the target structure.
- Read the Italian sentences aloud twice to connect grammar with pronunciation.

Answer Space / Personal Notes

- _____
- _____
- _____
- _____

Remember

- Avere means "to have." It also appears in many expressions where English uses "to be," especially age, hunger, thirst, fear, heat, and cold.

LESSON 05 - CORE ITALIAN

Nouns: Gender and Number

Italian examples with clear English explanations

Learning Objectives

- Understand the main rule system for nouns: gender and number.
- Recognize the pattern in Italian examples and explain it in English.
- Use the target structure accurately in short spoken and written sentences.

Concept	English explanation	Italian example + English meaning
masculine -o	Many singular masculine nouns end in -o and become -i.	libro → libri = book → books
feminine -a	Many singular feminine nouns end in -a and become -e.	casa → case = house → houses
-e nouns	Many nouns ending in -e become -i in the plural.	studente → studenti
invariable nouns	Some nouns do not change in the plural.	la città → le città

Core Rules

- Learn the article together with the noun: il libro, la casa.
- Gender is grammatical and cannot always be predicted from meaning.
- Words ending in -zione are usually feminine: la stazione.
- Many foreign words remain unchanged in the plural: il computer → i computer.

Model Sentences

- Il ragazzo è qui. - The boy is here.
- Le ragazze studiano. - The girls study.
- La città è grande. - The city is big.
- I problemi sono difficili. - The problems are difficult.

Mini Vocabulary

- libro = book
- casa = house
- studente = student
- città = city
- problema = problem

Study Note

- Italian nouns are masculine or feminine. Their endings often suggest gender, but learners should memorize each noun with its article. Plurals usually change the final vowel.

LESSON 05 - PRACTICE

Nouns: Gender and Number

Common errors, guided practice, and independent production

Common error	Correct form	English explanation
la libro	il libro	libro is masculine.
due casa	due case	casa changes -a to -e.

Guided Practice - answer without looking at the key

1. Make plural: libro.	2. Make plural: casa.
3. Make plural: studente.	4. Make plural: città.
5. What gender is stazione usually?	6. Translate: the boys.
7. Translate: the houses.	8. Write one masculine and one feminine noun.

Mastery Challenge

- Write 5 original Italian sentences using the grammar from this lesson.
- Translate each sentence into English and underline the target structure.
- Read the Italian sentences aloud twice to connect grammar with pronunciation.

Answer Space / Personal Notes

- _____
- _____
- _____
- _____

Remember

- Italian nouns are masculine or feminine. Their endings often suggest gender, but learners should memorize each noun with its article. Plurals usually change the final vowel.

LESSON 06 - CORE ITALIAN

Definite and Indefinite Articles

Italian examples with clear English explanations

Learning Objectives

- Understand the main rule system for definite and indefinite articles.
- Recognize the pattern in Italian examples and explain it in English.
- Use the target structure accurately in short spoken and written sentences.

Concept	English explanation	Italian example + English meaning
definite masculine	il before most consonants, lo before special clusters, l' before vowels.	il libro; lo studente; l'amico
definite feminine	la before consonants, l' before vowels.	la casa; l'amica
plural definite	i / gli for masculine; le for feminine.	i libri; gli studenti; le case
indefinite	un, uno, una, un'.	un libro; uno studente; una casa; un'amica

Core Rules

- Use lo/uno before s + consonant, z, gn, ps, x, y.
- Use l' before singular nouns beginning with a vowel: l'amico, l'amica.
- The feminine indefinite article before a vowel is un' with apostrophe: un'amica.
- Articles are much more frequent in Italian than in English.

Model Sentences

- Lo zaino è nuovo. - The backpack is new.
- Gli studenti sono qui. - The students are here.
- Ho un'amica italiana. - I have an Italian friend.
- La scuola è grande. - The school is big.

Mini Vocabulary

- zaino = backpack
- amico = male friend
- amica = female friend
- studente = student
- scuola = school

Study Note

- Italian articles agree with gender and number. The form also depends on the first sound of the noun, especially for masculine nouns beginning with s + consonant, z, gn, ps, x, or y.

LESSON 06 - PRACTICE

Definite and Indefinite Articles

Common errors, guided practice, and independent production

Common error	Correct form	English explanation
il studente	lo studente	Use lo before s + consonant.
un amica	un'amica	Feminine vowel form takes an apostrophe.

Guided Practice - answer without looking at the key

1. Choose: ___ studente (il/lo).	2. Choose: ___ amico (il/l').
3. Choose: ___ case (le/i).	4. Choose: ___ zaino (un/uno).
5. Translate: the friends (masc.).	6. Translate: a female friend.
7. What is the plural of il?	8. Write one noun with lo.

Mastery Challenge

- Write 5 original Italian sentences using the grammar from this lesson.
- Translate each sentence into English and underline the target structure.
- Read the Italian sentences aloud twice to connect grammar with pronunciation.

Answer Space / Personal Notes

- _____
- _____
- _____
- _____

Remember

- Italian articles agree with gender and number. The form also depends on the first sound of the noun, especially for masculine nouns beginning with s + consonant, z, gn, ps, x, or y.

LESSON 07 - CORE ITALIAN

Regular Present-Tense Verbs

Italian examples with clear English explanations

Learning Objectives

- Understand the main rule system for regular present-tense verbs.
- Recognize the pattern in Italian examples and explain it in English.
- Use the target structure accurately in short spoken and written sentences.

Concept	English explanation	Italian example + English meaning
parlare -are	parlo, parli, parla, parliamo, parlate, parlano.	Parlo italiano. = I speak Italian.
prendere -ere	prendo, prendi, prende, prendiamo, prendete, prendono.	Prendiamo il treno. = We take the train.
dormire -ire	dormo, dormi, dorme, dormiamo, dormite, dormono.	Dormono presto. = They sleep early.
-isc verbs	Some -ire verbs insert -isc- in singular and loro forms.	finire → finisco, finisci, finisce, finiamo, finite, finiscono

Core Rules

- Subject pronouns are often omitted because endings identify the subject.
- The noi ending is -iamo for all three groups.
- The voi endings are -ate, -ete, -ite.
- Learn whether an -ire verb uses -isc-; it cannot always be predicted.

Model Sentences

- Studio ogni giorno. - I study every day.
- Prendi un caffè? - Are you having a coffee?
- Dormiamo otto ore. - We sleep eight hours.
- Finisco alle cinque. - I finish at five.

Mini Vocabulary

- parlare = to speak
- prendere = to take
- dormire = to sleep
- finire = to finish
- studiare = to study

Study Note

- Regular Italian verbs belong mainly to -are, -ere, or -ire groups. Remove the infinitive ending and add the present-tense endings for the subject.

LESSON 07 - PRACTICE

Regular Present-Tense Verbs

Common errors, guided practice, and independent production

Common error	Correct form	English explanation
Io parla italiano.	Io parlo italiano.	io takes -o.
Noi prendono il bus.	Noi prendiamo il bus.	noi takes -iamo.

Guided Practice - answer without looking at the key

1. Conjugate parlare for io.	2. Conjugate parlare for noi.
3. Conjugate prendere for loro.	4. Conjugate dormire for voi.
5. Complete: Tu (studiare) ____.	6. Complete: Lei (finire) ____.
7. Translate: We speak Italian.	8. Write one regular present sentence.

Mastery Challenge

- Write 5 original Italian sentences using the grammar from this lesson.
- Translate each sentence into English and underline the target structure.
- Read the Italian sentences aloud twice to connect grammar with pronunciation.

Answer Space / Personal Notes

- _____
- _____
- _____
- _____

Remember

- Regular Italian verbs belong mainly to -are, -ere, or -ire groups. Remove the infinitive ending and add the present-tense endings for the subject.

LESSON 08 - CORE ITALIAN

Common Irregular Present Verbs

Italian examples with clear English explanations

Learning Objectives

- Understand the main rule system for common irregular present verbs.
- Recognize the pattern in Italian examples and explain it in English.
- Use the target structure accurately in short spoken and written sentences.

Concept	English explanation	Italian example + English meaning
andare	vado, vai, va, andiamo, andate, vanno.	Vado a scuola. = I go to school.
fare	faccio, fai, fa, facciamo, fate, fanno.	Faccio colazione. = I have breakfast.
venire	vengo, vieni, viene, veniamo, venite, vengono.	Vieni con noi? = Are you coming with us?
sapere / dire	so... / dico... are irregular.	Non so. = I do not know; Dico la verità. = I tell the truth.

Core Rules

- Memorize irregular verbs by person, not only as infinitives.
- Andare often combines with a + city/place or in + country/region.
- Fare appears in weather and activity expressions: fa caldo, fare sport.
- Sapere means "to know a fact/how"; conoscere is "to know a person/place."

Model Sentences

- Vanno a Roma domani. - They go to Rome tomorrow.
- Che cosa fai? - What are you doing?
- Vengo da Milano. - I come from Milan.
- Sai nuotare? - Can you swim / Do you know how to swim?

Mini Vocabulary

- andare = to go
- fare = to do/make
- venire = to come
- dire = to say
- sapere = to know

Study Note

- High-frequency verbs such as andare, fare, venire, dire, uscire, and sapere have irregular present forms. Learn them as complete paradigms and use them in fixed expressions.

LESSON 08 - PRACTICE

Common Irregular Present Verbs

Common errors, guided practice, and independent production

Common error	Correct form	English explanation
Io andare a scuola.	Io vado a scuola.	Use the conjugated verb.
Noi facciamo? written facciamo	facciamo	fare has cc in noi.

Guided Practice - answer without looking at the key

1. Complete: Io ____ (andare) a casa.	2. Complete: Noi ____ (fare) sport.
3. Complete: Loro ____ (venire) domani.	4. Complete: Tu ____ (sapere) la risposta.
5. Translate: What are you doing?	6. Translate: I do not know.
7. What verb means "to know a person/place"?	8. Write one sentence with andare.

Mastery Challenge

- Write 5 original Italian sentences using the grammar from this lesson.
- Translate each sentence into English and underline the target structure.
- Read the Italian sentences aloud twice to connect grammar with pronunciation.

Answer Space / Personal Notes

- _____
- _____
- _____
- _____

Remember

- High-frequency verbs such as andare, fare, venire, dire, uscire, and sapere have irregular present forms. Learn them as complete paradigms and use them in fixed expressions.

LESSON 09 - CORE ITALIAN

Adjectives: Agreement and Position

Italian examples with clear English explanations

Learning Objectives

- Understand the main rule system for adjectives: agreement and position.
- Recognize the pattern in Italian examples and explain it in English.
- Use the target structure accurately in short spoken and written sentences.

Concept	English explanation	Italian example + English meaning
four-form adjectives	-o, -a, -i, -e.	un ragazzo italiano; una ragazza italiana
two-form adjectives	-e singular, -i plural.	un libro interessante; libri interessanti
position	Many descriptive adjectives commonly follow the noun.	una macchina rossa = a red car
common pre-noun forms	Some frequent adjectives often come before the noun.	una bella giornata = a beautiful day

Core Rules

- Agreement is with the noun, not the speaker.
- A mixed-gender plural traditionally uses masculine plural.
- Grande often becomes gran before a singular noun: un gran problema.
- Buono and bello change form in ways similar to articles in some positions.

Model Sentences

- La casa è grande. - The house is big.
- I libri sono interessanti. - The books are interesting.
- Una ragazza simpatica. - A nice girl.
- Due macchine rosse. - Two red cars.

Mini Vocabulary

- grande = big
- piccolo = small
- rosso = red
- interessante = interesting
- bello = beautiful

Study Note

- Italian adjectives normally agree with the noun in gender and number. Many follow the noun, although position can vary depending on meaning and style.

LESSON 09 - PRACTICE

Adjectives: Agreement and Position

Common errors, guided practice, and independent production

Common error	Correct form	English explanation
le ragazze italiano	le ragazze italiane	Adjective must be feminine plural.
i libri interessante	i libri interessanti	-e adjectives become -i in plural.

Guided Practice - answer without looking at the key

1. Make feminine: italiano.	2. Make masculine plural: piccolo.
3. Make plural: interessante.	4. Correct: le case bianco.
5. Translate: two red cars.	6. Translate: an interesting book.
7. What does adjective agreement follow?	8. Write one noun + adjective phrase.

Mastery Challenge

- Write 5 original Italian sentences using the grammar from this lesson.
- Translate each sentence into English and underline the target structure.
- Read the Italian sentences aloud twice to connect grammar with pronunciation.

Answer Space / Personal Notes

- _____
- _____
- _____
- _____

Remember

- Italian adjectives normally agree with the noun in gender and number. Many follow the noun, although position can vary depending on meaning and style.

LESSON 10 - CORE ITALIAN

Questions and Negatives

Italian examples with clear English explanations

Learning Objectives

- Understand the main rule system for questions and negatives.
- Recognize the pattern in Italian examples and explain it in English.
- Use the target structure accurately in short spoken and written sentences.

Concept	English explanation	Italian example + English meaning
yes/no question	Word order may stay the same; intonation changes.	Parli italiano? = Do you speak Italian?
question words	chi, che/cosa, dove, quando, perché, come, quanto.	Dove abiti? = Where do you live?
negation	Place non before the verb.	Non capisco. = I do not understand.
double negatives	Italian commonly keeps non with negative words after the verb.	Non vedo nessuno. = I see nobody.

Core Rules

- Perché means both “why” and “because,” depending on context.
- Chi normally refers to people; cosa/che cosa asks “what.”
- Never add English do/does to an Italian question.
- With mai, niente, nessuno after the verb, non is usually still present.

Model Sentences

- Come stai? - How are you?
- Quando parte il treno? - When does the train leave?
- Non lavoro oggi. - I am not working today.
- Non mangio mai carne. - I never eat meat.

Mini Vocabulary

- dove = where
- quando = when
- perché = why / because
- mai = never / ever
- nessuno = nobody / no one

Study Note

- Italian often forms yes/no questions through intonation. Question words introduce information questions. Negatives normally place non directly before the conjugated verb.

LESSON 10 - PRACTICE

Questions and Negatives

Common errors, guided practice, and independent production

Common error	Correct form	English explanation
Do parli italiano?	Parli italiano?	Italian does not use do-support.
Io capisco non.	Io non capisco.	non comes before the verb.

Guided Practice - answer without looking at the key

1. Make negative: Parlo francese.	2. Ask: Where do you live?
3. Ask: When does the course start?	4. Translate: I never drink coffee.
5. What does perché mean?	6. Translate: I do not see anyone.
7. Write a yes/no question.	8. Write a question with come.

Mastery Challenge

- Write 5 original Italian sentences using the grammar from this lesson.
- Translate each sentence into English and underline the target structure.
- Read the Italian sentences aloud twice to connect grammar with pronunciation.

Answer Space / Personal Notes

- _____
- _____
- _____
- _____

Remember

- Italian often forms yes/no questions through intonation. Question words introduce information questions. Negatives normally place non directly before the conjugated verb.

LESSON 11 - CORE ITALIAN

Numbers, Dates, and Time

Italian examples with clear English explanations

Learning Objectives

- Understand the main rule system for numbers, dates, and time.
- Recognize the pattern in Italian examples and explain it in English.
- Use the target structure accurately in short spoken and written sentences.

Concept	English explanation	Italian example + English meaning
cardinal numbers	uno, due, tre ... dieci, venti, cento, mille.	Ho ventidue anni. = I am 22.
time	È l'una; Sono le due; Sono le tre e mezza.	Sono le otto e un quarto. = It is 8:15.
dates	Use il + number + month for dates; the first day can use primo.	Oggi è il 20 settembre.
years	Years are normally read as full cardinal numbers.	nel 2026 = in 2026

Core Rules

- Ventuno and ventotto drop the final vowel of venti before uno/otto.
- Days of the week are usually lowercase and often used without an article for a single event.
- Use alle + time for "at": alle nove.
- Mezzogiorno = noon; mezzanotte = midnight.

Model Sentences

- Il corso inizia alle nove. - The course starts at nine.
- Sono le sette e mezza. - It is 7:30.
- Oggi è lunedì. - Today is Monday.
- Il mio compleanno è il tre maggio. - My birthday is May 3.

Mini Vocabulary

- ora = hour/time
- oggi = today
- domani = tomorrow
- mezzogiorno = noon
- mezzanotte = midnight

Study Note

- Numbers are needed for age, prices, dates, phone numbers, and time. Italian time expressions use è l'una for one o'clock and sono le for most other hours.

LESSON 11 - PRACTICE

Numbers, Dates, and Time

Common errors, guided practice, and independent production

Common error	Correct form	English explanation
Sono la due.	Sono le due.	Use sono le except for one o'clock.
alle una	all'una	a + l' contracts to all'.

Guided Practice - answer without looking at the key

1. Write 14 in Italian.	2. Write 27 in Italian.
3. Translate: It is 3:30.	4. Translate: at one o'clock.
5. Translate: Today is 3 May.	6. What does mezzanotte mean?
7. How do you say "at nine"?	8. Write today's date in Italian.

Mastery Challenge

- Write 5 original Italian sentences using the grammar from this lesson.
- Translate each sentence into English and underline the target structure.
- Read the Italian sentences aloud twice to connect grammar with pronunciation.

Answer Space / Personal Notes

- _____
- _____
- _____
- _____

Remember

- Numbers are needed for age, prices, dates, phone numbers, and time. Italian time expressions use è l'una for one o'clock and sono le for most other hours.

LESSON 12 - CORE ITALIAN

Simple and Articulated Prepositions

Italian examples with clear English explanations

Learning Objectives

- Understand the main rule system for simple and articulated prepositions.
- Recognize the pattern in Italian examples and explain it in English.
- Use the target structure accurately in short spoken and written sentences.

Concept	English explanation	Italian example + English meaning
simple prepositions	di, a, da, in, con, su, per, tra/fra.	Vado a Roma. = I go to Rome.
di + article	del, dello, dell', della, dei, degli, delle.	la porta della casa = the door of the house
a + article	al, allo, all', alla, ai, agli, alle.	Vado al mercato. = I go to the market.
in/su + article	nel/nello...; sul/sullo...	nel libro = in the book; sul tavolo = on the table

Core Rules

- Use a with cities: a Roma; use in with most countries/regions: in Italia.
- Use da for origin or "at/to someone's place": Vengo da Milano; vado dal medico.
- Con and per normally do not need obligatory article contractions.
- Many preposition choices are idiomatic and should be learned as phrases.

Model Sentences

- Sono a casa. - I am at home.
- Viviamo in Italia. - We live in Italy.
- Il telefono è sul tavolo. - The phone is on the table.
- Vengo dal lavoro. - I come from work.

Mini Vocabulary

- di = of / from
- a = to / at
- da = from / by / at someone's
- in = in / to
- su = on / about

Study Note

- Italian prepositions express place, movement, origin, possession, time, and many fixed relationships. Di, a, da, in, su often combine with definite articles.

LESSON 12 - PRACTICE

Simple and Articulated Prepositions

Common errors, guided practice, and independent production

Common error	Correct form	English explanation
in Roma	a Roma	Cities normally use a.
a Italia	in Italia	Countries normally use in.

Guided Practice - answer without looking at the key

1. Choose: ___ Roma (a/in).	2. Choose: ___ Italia (a/in).
3. Contract: di + la.	4. Contract: a + il.
5. Contract: su + il.	6. Translate: from Milan.
7. Translate: at the doctor's.	8. Write one phrase with nel.

Mastery Challenge

- Write 5 original Italian sentences using the grammar from this lesson.
- Translate each sentence into English and underline the target structure.
- Read the Italian sentences aloud twice to connect grammar with pronunciation.

Answer Space / Personal Notes

- _____
- _____
- _____
- _____

Remember

- Italian prepositions express place, movement, origin, possession, time, and many fixed relationships. Di, a, da, in, su often combine with definite articles.

LESSON 13 - CORE ITALIAN

Possessive Adjectives and Pronouns

Italian examples with clear English explanations

Learning Objectives

- Understand the main rule system for possessive adjectives and pronouns.
- Recognize the pattern in Italian examples and explain it in English.
- Use the target structure accurately in short spoken and written sentences.

Concept	English explanation	Italian example + English meaning
forms	mio/mia/miei/mie; tuo; suo; nostro; vostro; loro.	il mio libro = my book
agreement	The ending matches the possessed noun.	la nostra casa = our house
family exception	Often no article with singular family nouns.	mia madre; tuo fratello
loro	loro is invariable but still normally takes the article.	i loro amici = their friends

Core Rules

- Use il mio, la mia, i miei, le mie according to the noun.
- With modified family nouns, the article returns: la mia cara madre.
- With plural family nouns, use the article: i miei fratelli.
- Suo can mean his or her; context clarifies the owner.

Model Sentences

- Questa è la mia macchina. - This is my car.
- Mio padre lavora qui. - My father works here.
- I nostri amici arrivano domani. - Our friends arrive tomorrow.
- La loro casa è grande. - Their house is big.

Mini Vocabulary

- mio = my
- tuo = your
- suo = his/her
- nostro = our
- loro = their

Study Note

- Possessives agree with the thing possessed, not with the owner. They are usually used with a definite article, except with many singular unmodified family nouns.

LESSON 13 - PRACTICE

Possessive Adjectives and Pronouns

Common errors, guided practice, and independent production

Common error	Correct form	English explanation
il mia libro	il mio libro	Possessive agrees with libro.
la mio casa	la mia casa	casa is feminine.

Guided Practice - answer without looking at the key

1. Translate: my house.	2. Translate: our books.
3. Translate: her sister.	4. Translate: their friends.
5. Choose: (mio/mia) madre.	6. Choose: (nostri/nostre) lezioni.
7. What does suo agree with?	8. Write one possessive phrase.

Mastery Challenge

- Write 5 original Italian sentences using the grammar from this lesson.
- Translate each sentence into English and underline the target structure.
- Read the Italian sentences aloud twice to connect grammar with pronunciation.

Answer Space / Personal Notes

- _____
- _____
- _____
- _____

Remember

- Possessives agree with the thing possessed, not with the owner. They are usually used with a definite article, except with many singular unmodified family nouns.

LESSON 14 - CORE ITALIAN

Demonstratives and C'È / CI SONO

Italian examples with clear English explanations

Learning Objectives

- Understand the main rule system for demonstratives and c'è / ci sono.
- Recognize the pattern in Italian examples and explain it in English.
- Use the target structure accurately in short spoken and written sentences.

Concept	English explanation	Italian example + English meaning
questo	questo/questa/questi/queste.	questa casa = this house
quello	quel/quello/quell' and plural quei/quegli; feminine quella/quelle.	quello studente = that student
c'è	singular existence.	C'è un problema. = There is a problem.
ci sono	plural existence.	Ci sono due studenti. = There are two students.

Core Rules

- Questo usually refers to something nearer; quello to something farther away or previously mentioned.
- Quello before nouns follows article-like forms: quel libro, quello zaino, quell'amico.
- Use c'è with one thing and ci sono with plural things.
- C'è is the contraction of ci + è.

Model Sentences

- Questo libro è interessante. - This book is interesting.
- Quella macchina è nuova. - That car is new.
- C'è un supermercato qui. - There is a supermarket here.
- Ci sono molte persone. - There are many people.

Mini Vocabulary

- questo = this
- quello = that
- qui = here
- lì = there
- problema = problem

Study Note

- Questo means "this/these"; quello means "that/those" and changes form similarly to the definite article. C'è means "there is"; ci sono means "there are."

LESSON 14 - PRACTICE

Demonstratives and C'È / CI SONO

Common errors, guided practice, and independent production

Common error	Correct form	English explanation
quello libro	quel libro	Use quel before most masculine consonant nouns.
ci è un problema	c'è un problema	Use the contraction c'è.

Guided Practice - answer without looking at the key

1. Choose: ___ libro (quel/quello).	2. Choose: ___ studente (quel/quello).
3. Translate: this house.	4. Translate: there is a problem.
5. Translate: there are three cars.	6. What is plural of questa?
7. Write one sentence with quello.	8. Write one sentence with ci sono.

Mastery Challenge

- Write 5 original Italian sentences using the grammar from this lesson.
- Translate each sentence into English and underline the target structure.
- Read the Italian sentences aloud twice to connect grammar with pronunciation.

Answer Space / Personal Notes

- _____
- _____
- _____
- _____

Remember

- Questo means “this/these”; quello means “that/those” and changes form similarly to the definite article. C'è means “there is”; ci sono means “there are.”

LESSON 15 - CORE ITALIAN

Modal Verbs: POTERE, DOVERE, VOLERE, SAPERE

Italian examples with clear English explanations

Learning Objectives

- Understand the main rule system for modal verbs: potere, dovere, volere, sapere.
- Recognize the pattern in Italian examples and explain it in English.
- Use the target structure accurately in short spoken and written sentences.

Concept	English explanation	Italian example + English meaning
potere	posso, puoi, può, possiamo, potete, possono.	Posso entrare? = May I come in?
dovere	devo/debbo, devi, deve, dobbiamo, dovete, devono.	Devo studiare. = I must study.
volere	voglio, vuoi, vuole, vogliamo, volete, vogliono.	Voglio partire. = I want to leave.
sapere + infinitive	Means knowing how to do something.	Sai nuotare? = Can you swim?

Core Rules

- The infinitive normally follows the modal: posso parlare.
- With object pronouns, placement can vary: lo posso fare / posso farlo.
- Potere often expresses permission or possibility; sapere + infinitive expresses learned skill.
- Vorrei is a polite conditional form meaning "I would like."

Model Sentences

- Possiamo aiutarti. - We can help you.
- Dovete arrivare presto. - You must arrive early.
- Vogliono mangiare. - They want to eat.
- So guidare. - I know how to drive.

Mini Vocabulary

- potere = can / may
- dovere = must / have to
- volere = to want
- sapere = to know / know how
- aiutare = to help

Study Note

- Modal verbs express ability, possibility, obligation, desire, and learned ability. A conjugated modal is normally followed by an infinitive.

LESSON 15 - PRACTICE

Modal Verbs: POTERE, DOVERE, VOLERE, SAPERE

Common errors, guided practice, and independent production

Common error	Correct form	English explanation
Io posso parlo.	Io posso parlare.	Modal takes infinitive.
Noi vuole partire.	Noi vogliamo partire.	noi form is vogliamo.

Guided Practice - answer without looking at the key

1. Complete: Io ___ parlare italiano.	2. Complete: Noi ___ partire presto.
3. Translate: They want to travel.	4. Translate: Can you help me?
5. Translate: I know how to swim.	6. What form means "I would like"?
7. Write a sentence with dovere.	8. Write a polite request with potere.

Mastery Challenge

- Write 5 original Italian sentences using the grammar from this lesson.
- Translate each sentence into English and underline the target structure.
- Read the Italian sentences aloud twice to connect grammar with pronunciation.

Answer Space / Personal Notes

- _____
- _____
- _____
- _____

Remember

- Modal verbs express ability, possibility, obligation, desire, and learned ability. A conjugated modal is normally followed by an infinitive.

LESSON 16 - CORE ITALIAN

Reflexive Verbs and Daily Routine

Italian examples with clear English explanations

Learning Objectives

- Understand the main rule system for reflexive verbs and daily routine.
- Recognize the pattern in Italian examples and explain it in English.
- Use the target structure accurately in short spoken and written sentences.

Concept	English explanation	Italian example + English meaning
reflexive pronouns	mi, ti, si, ci, vi, si.	Mi lavo. = I wash myself.
alzarsi	mi alzo, ti alzi, si alza, ci alziamo, vi alzate, si alzano.	Mi alzo alle sette.
names	chiamarsi is used for names.	Mi chiamo Sara. = My name is Sara.
infinitive with modal	The pronoun can attach to the infinitive.	Devo alzarmi presto. = I must get up early.

Core Rules

- The reflexive pronoun must match the subject.
- With a conjugated simple verb, the pronoun normally comes before the verb.
- With infinitives, pronouns often attach to the end: lavarsi, alzarmi.
- Many daily-routine verbs are reflexive in Italian even when English is not.

Model Sentences

- Mi sveglio alle sei. - I wake up at six.
- Ci prepariamo rapidamente. - We get ready quickly.
- Si chiama Luca. - His name is Luca.
- Voglio riposarmi. - I want to rest.

Mini Vocabulary

- svegliarsi = to wake up
- alzarsi = to get up
- lavarsi = to wash oneself
- vestirsi = to get dressed
- riposarsi = to rest

Study Note

- Reflexive verbs describe actions directed back toward the subject. They use mi, ti, si, ci, vi, si before the conjugated verb.

LESSON 16 - PRACTICE

Reflexive Verbs and Daily Routine

Common errors, guided practice, and independent production

Common error	Correct form	English explanation
Io si alzo.	Io mi alzo.	io uses mi.
Noi vi prepariamo.	Noi ci prepariamo.	noi uses ci.

Guided Practice - answer without looking at the key

1. Conjugate alzarsi for io.	2. Conjugate alzarsi for noi.
3. Translate: She gets dressed.	4. Translate: We wake up at seven.
5. Complete: Io ___ chiamo Marco.	6. Rewrite with modal: I must get up.
7. Write two routine sentences.	8. What pronoun goes with voi?

Mastery Challenge

- Write 5 original Italian sentences using the grammar from this lesson.
- Translate each sentence into English and underline the target structure.
- Read the Italian sentences aloud twice to connect grammar with pronunciation.

Answer Space / Personal Notes

- _____
- _____
- _____
- _____

Remember

- Reflexive verbs describe actions directed back toward the subject. They use mi, ti, si, ci, vi, si before the conjugated verb.

LESSON 17 - CORE ITALIAN

Direct Object Pronouns

Italian examples with clear English explanations

Learning Objectives

- Understand the main rule system for direct object pronouns.
- Recognize the pattern in Italian examples and explain it in English.
- Use the target structure accurately in short spoken and written sentences.

Concept	English explanation	Italian example + English meaning
forms	mi, ti, lo/la, ci, vi, li/le.	Vedo Marco → Lo vedo.
before verb	Pronoun normally precedes conjugated verb.	La conosco. = I know her.
with infinitive	Pronoun can attach to infinitive.	Voglio comprarlo. = I want to buy it.
past participle agreement	With lo/la/li/le before passato prossimo, agreement is normally shown.	Le ho viste. = I saw them (fem.).

Core Rules

- Lo = him/it masculine; la = her/it feminine; li/le = them.
- Mi, ti, ci, vi do not show gender.
- Before a vowel, lo/la can contract to l': L'ho visto.
- With an infinitive after a modal, both lo voglio comprare and voglio comprarlo are possible.

Model Sentences

- Compro il libro. Lo compro. - I buy it.
- Vedo Maria. La vedo. - I see her.
- Conosci i ragazzi? Li conosco. - Do you know the boys? I know them.
- Voglio farlo. - I want to do it.

Mini Vocabulary

- lo = him / it masc.
- la = her / it fem.
- li = them masc.
- le = them fem.
- vedere = to see

Study Note

- Direct object pronouns replace a noun that receives the action directly. They normally come before a conjugated verb and agree in gender/number in the third person.

LESSON 17 - PRACTICE

Direct Object Pronouns

Common errors, guided practice, and independent production

Common error	Correct form	English explanation
Vedo lui → Lui vedo.	Lo vedo.	Object pronoun comes before the verb.
Compro le mele → Li compro.	Le compro.	mele is feminine plural.

Guided Practice - answer without looking at the key

1. Replace: Vedo Marco.	2. Replace: Vedo Maria.
3. Replace: Compro i libri.	4. Replace: Compro le mele.
5. Translate: I know him.	6. Translate: We see them (fem.).
7. Rewrite: Voglio comprare il libro.	8. Write one sentence with ci as object.

Mastery Challenge

- Write 5 original Italian sentences using the grammar from this lesson.
- Translate each sentence into English and underline the target structure.
- Read the Italian sentences aloud twice to connect grammar with pronunciation.

Answer Space / Personal Notes

- _____
- _____
- _____
- _____

Remember

- Direct object pronouns replace a noun that receives the action directly. They normally come before a conjugated verb and agree in gender/number in the third person.

LESSON 18 - CORE ITALIAN

Indirect Object Pronouns

Italian examples with clear English explanations

Learning Objectives

- Understand the main rule system for indirect object pronouns.
- Recognize the pattern in Italian examples and explain it in English.
- Use the target structure accurately in short spoken and written sentences.

Concept	English explanation	Italian example + English meaning
forms	mi, ti, gli, le, ci, vi, gli.	Gli telefono. = I phone him.
gli / le	gli = to him; le = to her.	Le scrivo. = I write to her.
plural gli	In modern spoken Italian, gli is common for "to them."	Gli parlo domani. = I will speak to them tomorrow.
with infinitive	Pronoun may attach to infinitive.	Voglio parlargli. = I want to speak to him.

Core Rules

- Do not confuse direct lo/la with indirect gli/le.
- Telefonare a qualcuno uses an indirect object in Italian.
- When attached to an infinitive, drop final -e: parlare + gli → parlargli.
- Polite Le can mean "to you" formally and is often capitalized.

Model Sentences

- Do un libro a Marco. Gli do un libro. - I give Marco a book.
- Telefono a Sara. Le telefono. - I phone Sara.
- Ci scrive spesso. - He writes to us often.
- Posso dirle una cosa? - May I tell you something? (formal)

Mini Vocabulary

- dare = to give
- dire = to say/tell
- scrivere = to write
- telefonare = to phone
- parlare = to speak

Study Note

- Indirect object pronouns commonly express "to/for someone." They replace phrases introduced by a, especially with verbs such as dare, dire, parlare, scrivere, telefonare.

LESSON 18 - PRACTICE

Indirect Object Pronouns

Common errors, guided practice, and independent production

Common error	Correct form	English explanation
Telefono Marco.	Telefono a Marco / Gli telefono.	telefonare takes a.
La scrivo. for "I write to her"	Le scrivo.	Indirect feminine is le.

Guided Practice - answer without looking at the key

1. Replace: Scrivo a Maria.	2. Replace: Telefono a Luca.
3. Replace: Parliamo ai ragazzi.	4. Translate: He gives me a book.
5. Translate: I want to speak to her.	6. What is "to him"?
7. What is "to her"?	8. Write one sentence with ci indirect.

Mastery Challenge

- Write 5 original Italian sentences using the grammar from this lesson.
- Translate each sentence into English and underline the target structure.
- Read the Italian sentences aloud twice to connect grammar with pronunciation.

Answer Space / Personal Notes

- _____
- _____
- _____
- _____

Remember

- Indirect object pronouns commonly express "to/for someone." They replace phrases introduced by a, especially with verbs such as dare, dire, parlare, scrivere, telefonare.

LESSON 19 - CORE ITALIAN

Ci, Ne, and Combined Pronouns

Italian examples with clear English explanations

Learning Objectives

- Understand the main rule system for ci, ne, and combined pronouns.
- Recognize the pattern in Italian examples and explain it in English.
- Use the target structure accurately in short spoken and written sentences.

Concept	English explanation	Italian example + English meaning
ci = there	Replaces a place.	Vai a Roma? Sì, ci vado. = Are you going to Rome? Yes, I am going there.
ne = of it/them	Replaces di + noun or a quantity.	Hai pane? Sì, ne ho. = Do you have bread? Yes, I have some.
combined forms	mi/ti/ci/vi become me/te/ce/ve before another pronoun.	Me lo dai? = Will you give it to me?
glielo	gli/le + lo becomes glielo.	Glielo spiego. = I explain it to him/her.

Core Rules

- Ci often replaces a place, but it also appears in fixed verbs such as *pensarci*.
- Ne commonly accompanies quantities: *Ne voglio due* = I want two of them.
- Combined pronoun order is indirect/reflexive + direct.
- Combined pronouns are written as one word with gli: *glielo, gliela, glieli, gliele*.

Model Sentences

- *Ci vado domani.* - I am going there tomorrow.
- *Ne compro tre.* - I buy three of them.
- *Me lo dici?* - Will you tell it to me?
- *Gliela mando.* - I send it to him/her.

Mini Vocabulary

- ci = there / to it
- ne = of it/them / some
- me lo = it to me
- te la = it (fem.) to you
- glielo = it to him/her

Study Note

- Ci and ne have several important uses. Ci can replace a place introduced by a/in; ne can replace di + noun or quantities. Combined pronouns join indirect/reflexive forms with lo/la/li/le/ne.

LESSON 19 - PRACTICE

CI, NE, and Combined Pronouns

Common errors, guided practice, and independent production

Common error	Correct form	English explanation
Vado a Roma → Ne vado.	Ci vado.	Place uses ci.
Ho due libri → Ci ho due.	Ne ho due.	Quantity uses ne.

Guided Practice - answer without looking at the key

1. Replace: Vado a Milano.	2. Replace: Ho tre fratelli.
3. Combine: mi + lo.	4. Combine: ti + la.
5. Combine: gli + lo.	6. Translate: I buy two of them.
7. Translate: Give it to me.	8. Write one sentence with ci.

Mastery Challenge

- Write 5 original Italian sentences using the grammar from this lesson.
- Translate each sentence into English and underline the target structure.
- Read the Italian sentences aloud twice to connect grammar with pronunciation.

Answer Space / Personal Notes

- _____
- _____
- _____
- _____

Remember

- Ci and ne have several important uses. Ci can replace a place introduced by a/in; ne can replace di + noun or quantities. Combined pronouns join indirect/reflexive forms with lo/la/li/le/ne.

LESSON 20 - CORE ITALIAN

Passato Prossimo

Italian examples with clear English explanations

Learning Objectives

- Understand the main rule system for passato prossimo.
- Recognize the pattern in Italian examples and explain it in English.
- Use the target structure accurately in short spoken and written sentences.

Concept	English explanation	Italian example + English meaning
formation	auxiliary + past participle.	Ho studiato. = I studied / have studied.
regular participles	-are → -ato; -ere → -uto; -ire → -ito.	parlato, creduto, dormito
essere verbs	Many movement/change/reflexive verbs use essere.	Siamo arrivati. = We arrived.
agreement with essere	Participle agrees with subject gender/number.	Maria è arrivata; Marco è arrivato.

Core Rules

- Most transitive verbs use avere.
- Common essere verbs include andare, venire, arrivare, partire, entrare, uscire, nascere, morire, restare.
- Reflexive verbs use essere: mi sono alzato/a.
- Learn irregular participles: fatto, visto, preso, scritto, detto, letto, bevuto.

Model Sentences

- Ho mangiato una pizza. - I ate a pizza.
- Siamo andati a Roma. - We went to Rome.
- Lei è partita ieri. - She left yesterday.
- Hai visto il film? - Did you see the film?

Mini Vocabulary

- ieri = yesterday
- partire = to leave
- arrivare = to arrive
- fatto = done/made
- visto = seen

Study Note

- The passato prossimo expresses completed past actions. It uses the present tense of avere or essere plus a past participle. With essere, the participle agrees with the subject.

LESSON 20 - PRACTICE

Passato Prossimo

Common errors, guided practice, and independent production

Common error	Correct form	English explanation
Ho andato a Roma.	Sono andato/a a Roma.	andare uses essere.
Maria è arrivato.	Maria è arrivata.	Participle agrees with feminine subject.

Guided Practice - answer without looking at the key

1. Form past: io / mangiare.	2. Form past: noi / andare.
3. Form past: lei / arrivare.	4. Past participle of fare?
5. Past participle of vedere?	6. Translate: They left yesterday.
7. Translate: Did you see the film?	8. Write one passato prossimo sentence.

Mastery Challenge

- Write 5 original Italian sentences using the grammar from this lesson.
- Translate each sentence into English and underline the target structure.
- Read the Italian sentences aloud twice to connect grammar with pronunciation.

Answer Space / Personal Notes

- _____
- _____
- _____
- _____

Remember

- The passato prossimo expresses completed past actions. It uses the present tense of avere or essere plus a past participle. With essere, the participle agrees with the subject.

LESSON 21 - CORE ITALIAN

Imperfetto

Italian examples with clear English explanations

Learning Objectives

- Understand the main rule system for imperfetto.
- Recognize the pattern in Italian examples and explain it in English.
- Use the target structure accurately in short spoken and written sentences.

Concept	English explanation	Italian example + English meaning
regular formation	stem + -vo, -vi, -va, -vamo, -vate, -vano.	parlavo, prendevo, dormivo
habit	Repeated past actions.	Da bambino giocavo fuori. = As a child I used to play outside.
background	Descriptions, weather, age, states.	Era caldo. = It was hot.
ongoing action	An action in progress around another event.	Studiavo quando hai chiamato. = I was studying when you called.

Core Rules

- Essere is irregular: ero, eri, era, eravamo, eravate, erano.
- Common time markers include sempre, spesso, ogni giorno, da bambino.
- Use imperfetto for age in past descriptions: Avevo dieci anni.
- The imperfetto sets background; the passato prossimo often marks the completed event.

Model Sentences

- Quando ero piccolo, vivevo a Roma. - When I was little, I lived in Rome.
- Faceva freddo. - It was cold.
- Leggevamo ogni sera. - We used to read every evening.
- Dormivo quando sei arrivato. - I was sleeping when you arrived.

Mini Vocabulary

- sempre = always
- spesso = often
- ogni giorno = every day
- da bambino = as a child
- mentre = while

Study Note

- The imperfetto describes habitual, repeated, ongoing, or background situations in the past. It often corresponds to “used to” or “was/were ...ing.”

LESSON 21 - PRACTICE

Imperfetto

Common errors, guided practice, and independent production

Common error	Correct form	English explanation
Ero andato every day.	Andavo ogni giorno.	Habitual past uses imperfetto.
Essere → essavo	ero	Essere is irregular.

Guided Practice - answer without looking at the key

1. Conjugate parlare / io.	2. Conjugate prendere / noi.
3. Conjugate essere / loro.	4. Translate: I used to live in Rome.
5. Translate: It was cold.	6. Complete: Mentre ____ (studiare), lui è arrivato.
7. Write one past habit.	8. Name one imperfetto marker.

Mastery Challenge

- Write 5 original Italian sentences using the grammar from this lesson.
- Translate each sentence into English and underline the target structure.
- Read the Italian sentences aloud twice to connect grammar with pronunciation.

Answer Space / Personal Notes

- _____
- _____
- _____
- _____

Remember

- The imperfetto describes habitual, repeated, ongoing, or background situations in the past. It often corresponds to “used to” or “was/were ...ing.”

LESSON 22 - CORE ITALIAN

Passato Prossimo vs Imperfetto

Italian examples with clear English explanations

Learning Objectives

- Understand the main rule system for passato prossimo vs imperfetto.
- Recognize the pattern in Italian examples and explain it in English.
- Use the target structure accurately in short spoken and written sentences.

Concept	English explanation	Italian example + English meaning
completed event	Passato prossimo presents an action as finished.	Ieri ho lavorato tre ore. = Yesterday I worked for three hours.
habit/background	Imperfetto gives habitual or descriptive background.	Da giovane lavoravo molto. = When young I used to work a lot.
interruption	Imperfetto for ongoing action; passato prossimo for interrupting event.	Dormivo quando hai telefonato.
sequence vs scene	Passato prossimo moves the story; imperfetto paints the scene.	Pioveva. Sono uscito lo stesso.

Core Rules

- Ask: Is the action viewed as complete or as background/ongoing?
- Specific completed time periods often favor passato prossimo.
- Age, weather, time, mental/physical states often use imperfetto when descriptive.
- The two tenses frequently appear in the same sentence.

Model Sentences

- Mentre cucinavo, è arrivato Marco. - While I was cooking, Marco arrived.
- Ieri ho comprato un libro. - Yesterday I bought a book.
- Ogni estate andavamo al mare. - Every summer we went to the sea.
- Era tardi, quindi siamo tornati a casa. - It was late, so we went home.

Mini Vocabulary

- mentre = while
- ieri = yesterday
- ogni estate = every summer
- all'improvviso = suddenly
- quando = when

Study Note

- Italian often contrasts the passato prossimo for completed events with the imperfetto for background, habits, descriptions, and actions in progress.

LESSON 22 - PRACTICE

Passato Prossimo vs Imperfetto

Common errors, guided practice, and independent production

Common error	Correct form	English explanation
Ieri compravo un libro once completed	Ieri ho comprato un libro.	Completed event favors passato prossimo.
Ogni giorno ho andato al mare.	Ogni giorno andavo al mare.	Repeated habit uses imperfetto.
Dormivo quando telefonavi once	Dormivo quando hai telefonato.	Interrupting event is completed

Guided Practice - answer without looking at the key

1. Choose: Ieri ___ (comprare) un libro.	2. Choose: Da bambino ___ (giocare) molto.
3. Complete: Mentre ___ (dormire), è arrivato.	4. Complete: All'improvviso ___ (piovere).
5. Which tense describes background?	6. Which tense marks a completed event?
7. Write one sentence using both tenses.	8. Translate: It was late, so we returned home.

Mastery Challenge

- Write 5 original Italian sentences using the grammar from this lesson.
- Translate each sentence into English and underline the target structure.
- Read the Italian sentences aloud twice to connect grammar with pronunciation.

Answer Space / Personal Notes

- _____
- _____
- _____
- _____

Remember

- Italian often contrasts the passato prossimo for completed events with the imperfetto for background, habits, descriptions, and actions in progress.

LESSON 23 - CORE ITALIAN

Future Simple

Italian examples with clear English explanations

Learning Objectives

- Understand the main rule system for future simple.
- Recognize the pattern in Italian examples and explain it in English.
- Use the target structure accurately in short spoken and written sentences.

Concept	English explanation	Italian example + English meaning
regular future	parlerò, parlerai, parlerà, parleremo, parlerete, parleranno.	Domani parlerò con Luca.
-ere / -ire	prenderò; dormirò.	Dormiremo qui. = We will sleep here.
spelling changes	-care/-gare add h; -ciare/-giare often drop i.	cercherò; mangerò
irregular stems	essere → sar-, avere → avr-, andare → andr-, fare → far-, venire → verr-.	Sarò a Roma. = I will be in Rome.

Core Rules

- For -are verbs, the a of the stem changes to e before future endings: parlare → parler-.
- Future can express probability in the present: Sarà a casa = He is probably at home.
- Common irregular stems must be memorized.
- Time words such as domani and l'anno prossimo often accompany the future.

Model Sentences

- Domani studierò. - Tomorrow I will study.
- Andremo in Italia l'anno prossimo. - We will go to Italy next year.
- Farà bel tempo. - The weather will be nice.
- Avranno tempo domani. - They will have time tomorrow.

Mini Vocabulary

- domani = tomorrow
- futuro = future
- sarò = I will be
- avrò = I will have
- farò = I will do/make

Study Note

- The futuro semplice expresses future actions, predictions, promises, and sometimes probability. Regular endings are -ò, -ai, -à, -emo, -ete, -anno.

LESSON 23 - PRACTICE

Future Simple

Common errors, guided practice, and independent production

Common error	Correct form	English explanation
parlarò	parlerò	-are changes to -er- in future.
esserò	sarò	essere has irregular future stem sar-.

Guided Practice - answer without looking at the key

1. Future of parlare / io.	2. Future of prendere / noi.
3. Future of dormire / loro.	4. Future of essere / io.
5. Future of avere / noi.	6. Translate: She will call tomorrow.
7. Translate: We will travel in June.	8. Write one future prediction.

Mastery Challenge

- Write 5 original Italian sentences using the grammar from this lesson.
- Translate each sentence into English and underline the target structure.
- Read the Italian sentences aloud twice to connect grammar with pronunciation.

Answer Space / Personal Notes

- _____
- _____
- _____
- _____

Remember

- The futuro semplice expresses future actions, predictions, promises, and sometimes probability. Regular endings are -ò, -ai, -à, -emo, -ete, -anno.

LESSON 24 - CORE ITALIAN

Imperative and Commands

Italian examples with clear English explanations

Learning Objectives

- Understand the main rule system for imperative and commands.
- Recognize the pattern in Italian examples and explain it in English.
- Use the target structure accurately in short spoken and written sentences.

Concept	English explanation	Italian example + English meaning
tu forms	-are often -a; -ere/-ire often -i.	Parla! Prendi! Dormi!
Lei formal	Use present subjunctive-style forms.	Parli! Prenda! Dorma!
noi / voi	noi = "let's"; voi is usually the same as present form.	Andiamo! Parlate!
negative tu	non + infinitive.	Non parlare! = Don't speak!

Core Rules

- Common irregular tu forms include va'/vai, fa'/fai, da'/dai, sta'/stai, di'.
- Object pronouns usually attach to affirmative informal imperatives: Dimmi! = Tell me!
- With negative tu, pronoun placement can vary: Non farlo / Non lo fare.
- Use the formal Lei imperative in polite instructions.

Model Sentences

- Apri la porta! - Open the door!
- Non correre! - Don't run!
- Mi dica, per favore. - Tell me, please.
- Andiamo! - Let's go!

Mini Vocabulary

- aprire = to open
- chiudere = to close
- dire = to say/tell
- andare = to go
- per favore = please

Study Note

- The imperative is used for commands, instructions, invitations, and advice. Forms vary by person and verb group, and negative tu commands use non + infinitive.

LESSON 24 - PRACTICE

Imperative and Commands

Common errors, guided practice, and independent production

Common error	Correct form	English explanation
Non parli! to a friend	Non parlare!	Negative tu uses non + infinitive.
Dici mi!	Dimmi!	Pronoun attaches to affirmative command.

Guided Practice - answer without looking at the key

1. Give tu command: parlare.	2. Negative tu: parlare.
3. Give voi command: aprire.	4. Translate: Let's go!
5. Translate: Tell me!	6. Formal: Please come in.
7. Write one negative command.	8. What happens to pronouns in affirmative informal commands?

Mastery Challenge

- Write 5 original Italian sentences using the grammar from this lesson.
- Translate each sentence into English and underline the target structure.
- Read the Italian sentences aloud twice to connect grammar with pronunciation.

Answer Space / Personal Notes

- _____
- _____
- _____
- _____

Remember

- The imperative is used for commands, instructions, invitations, and advice. Forms vary by person and verb group, and negative tu commands use non + infinitive.

LESSON 25 - CORE ITALIAN

Comparatives and Superlatives

Italian examples with clear English explanations

Learning Objectives

- Understand the main rule system for comparatives and superlatives.
- Recognize the pattern in Italian examples and explain it in English.
- Use the target structure accurately in short spoken and written sentences.

Concept	English explanation	Italian example + English meaning
more/less than	più/meno + adjective + di or che.	Luca è più alto di Marco.
equality	così ... come / tanto ... quanto.	Anna è così gentile come Sara.
relative superlative	article + più/meno + adjective.	È il più grande. = It is the biggest.
absolute superlative	-issimo or molto + adjective.	bellissimo = very beautiful

Core Rules

- Use di before a noun/pronoun in many comparisons; use che between two qualities/actions or parallel prepositional phrases.
- Irregular forms include buono → migliore; cattivo → peggiore; grande → maggiore; piccolo → minore in some meanings.
- The absolute superlative intensifies without comparing to a group.
- -issimo agrees: bellissimo, bellissima, bellissimi, bellissime.

Model Sentences

- Roma è più grande di Pisa. - Rome is bigger than Pisa.
- Questo libro è meno difficile. - This book is less difficult.
- È il migliore della classe. - He is the best in the class.
- La pizza è buonissima. - The pizza is very good.

Mini Vocabulary

- più = more
- meno = less
- migliore = better
- peggiore = worse
- bellissimo = very beautiful

Study Note

- Italian comparisons use più ... di/che for "more," meno ... di/che for "less," and così ... come or tanto ... quanto for equality. Superlatives can be relative or absolute.

LESSON 25 - PRACTICE

Comparatives and Superlatives

Common errors, guided practice, and independent production

Common error	Correct form	English explanation
più meglio	migliore / più buono depending context	Avoid stacking più with irregular migliore.
la più grande ragazzo	il ragazzo più grande	Article/noun/adjective agreement matters.

Guided Practice - answer without looking at the key

1. Translate: bigger than Marco.	2. Translate: less expensive.
3. Translate: the best.	4. Make absolute: bello.
5. Comparative of buono.	6. Comparative of cattivo.
7. Write an equality comparison.	8. Write a relative superlative.

Mastery Challenge

- Write 5 original Italian sentences using the grammar from this lesson.
- Translate each sentence into English and underline the target structure.
- Read the Italian sentences aloud twice to connect grammar with pronunciation.

Answer Space / Personal Notes

- _____
- _____
- _____
- _____

Remember

- Italian comparisons use più ... di/che for “more,” meno ... di/che for “less,” and così ... come or tanto ... quanto for equality. Superlatives can be relative or absolute.

LESSON 26 - CORE ITALIAN

Relative Pronouns: CHE and CUI

Italian examples with clear English explanations

Learning Objectives

- Understand the main rule system for relative pronouns: che and cui.
- Recognize the pattern in Italian examples and explain it in English.
- Use the target structure accurately in short spoken and written sentences.

Concept	English explanation	Italian example + English meaning
che subject	che can be the subject of the relative clause.	La ragazza che parla = the girl who is speaking
che object	che can be a direct object.	Il libro che leggo = the book that I am reading
cui	Use after prepositions: di cui, a cui, con cui, per cui.	La persona con cui lavoro = the person I work with
il quale	Formal alternative that agrees in gender/number.	la città nella quale vivo = the city in which I live

Core Rules

- Che does not change for gender or number.
- Do not use a preposition directly before che in standard relative constructions; use cui.
- Cui does not change form.
- Dove can function as a relative adverb for place.

Model Sentences

- Conosco l'uomo che lavora qui. - I know the man who works here.
- Questo è il libro che cerco. - This is the book I am looking for.
- La collega con cui parlo è gentile. - The colleague I speak with is kind.
- La città dove vivo è piccola. - The city where I live is small.

Mini Vocabulary

- che = who/that/which
- cui = whom/which after preposition
- dove = where
- collega = colleague
- cercare = to look for

Study Note

- Relative pronouns connect a noun to a clause. Che is used as subject or direct object; cui is used after prepositions. Il quale forms are more formal and explicit.

LESSON 26 - PRACTICE

Relative Pronouns: CHE and CUI

Common errors, guided practice, and independent production

Common error	Correct form	English explanation
la persona con che parlo	la persona con cui parlo	Preposition requires cui.
il libro cui leggo	il libro che leggo	Direct object uses che.

Guided Practice - answer without looking at the key

1. Choose: Il libro ___ leggo.	2. Choose: La persona con ___ lavoro.
3. Translate: the city where I live.	4. Translate: the man who speaks.
5. Does che change for gender?	6. What pronoun follows a preposition?
7. Write a sentence with di cui.	8. Write a sentence with che as object.

Mastery Challenge

- Write 5 original Italian sentences using the grammar from this lesson.
- Translate each sentence into English and underline the target structure.
- Read the Italian sentences aloud twice to connect grammar with pronunciation.

Answer Space / Personal Notes

- _____
- _____
- _____
- _____

Remember

- Relative pronouns connect a noun to a clause. Che is used as subject or direct object; cui is used after prepositions. Il quale forms are more formal and explicit.

LESSON 27 - CORE ITALIAN

Conditional Present

Italian examples with clear English explanations

Learning Objectives

- Understand the main rule system for conditional present.
- Recognize the pattern in Italian examples and explain it in English.
- Use the target structure accurately in short spoken and written sentences.

Concept	English explanation	Italian example + English meaning
regular conditional	parlerei, parleresti, parlerebbe...	Parlerei con lui. = I would speak with him.
polite requests	vorrei, potrei, dovrebbe are frequent.	Vorrei un caffè. = I would like a coffee.
advice	dovresti = you should.	Dovresti riposare. = You should rest.
hypothetical result	Often appears with imperfect subjunctive in if-clauses.	Se avessi tempo, viaggierei. = If I had time, I would travel.

Core Rules

- Conditional stems share many irregularities with the future: sar-, avr-, far-, andr-, verr-.
- Vorrei is more polite than voglio in requests.
- Use potrei for "I could / could I" in polite questions.
- The conditional often softens statements and advice.

Model Sentences

- Vorrei prenotare una camera. - I would like to book a room.
- Potresti aiutarmi? - Could you help me?
- Dovremmo partire presto. - We should leave early.
- Sarebbe meglio aspettare. - It would be better to wait.

Mini Vocabulary

- vorrei = I would like
- potrei = I could
- dovresti = you should
- sarebbe = it would be
- prenotare = to book

Study Note

- The present conditional expresses polite requests, wishes, advice, and hypothetical results. It uses stems similar to the future plus endings -ei, -esti, -ebbe, -emmo, -este, -ebbero.

LESSON 27 - PRACTICE

Conditional Present

Common errors, guided practice, and independent production

Common error	Correct form	English explanation
Voglio un caffè in polite service	Vorrei un caffè.	Conditional is more polite.
poterei	potrei	potere has irregular stem potr-.

Guided Practice - answer without looking at the key

1. Conditional of parlare / io.	2. Conditional of essere / io.
3. Translate: I would like a coffee.	4. Translate: Could you help me?
5. Translate: You should rest.	6. Conditional of avere / noi.
7. Write one polite request.	8. Write one advice sentence.

Mastery Challenge

- Write 5 original Italian sentences using the grammar from this lesson.
- Translate each sentence into English and underline the target structure.
- Read the Italian sentences aloud twice to connect grammar with pronunciation.

Answer Space / Personal Notes

- _____
- _____
- _____
- _____

Remember

- The present conditional expresses polite requests, wishes, advice, and hypothetical results. It uses stems similar to the future plus endings -ei, -esti, -ebbe, -emmo, -este, -ebbero.

LESSON 28 - CORE ITALIAN

Present Subjunctive: Introduction

Italian examples with clear English explanations

Learning Objectives

- Understand the main rule system for present subjunctive: introduction.
- Recognize the pattern in Italian examples and explain it in English.
- Use the target structure accurately in short spoken and written sentences.

Concept	English explanation	Italian example + English meaning
regular -are	parli, parli, parli, parliamo, parliate, parlino.	Penso che lui parli bene.
regular -ere/-ire	prenda; dorma; prendiamo/dormiamo.	Spero che dormano bene.
common irregulars	essere: sia; avere: abbia; fare: faccia; andare: vada.	È importante che sia pronto.
trigger + che	Many expressions introduce a subjunctive clause.	Voglio che tu venga. = I want you to come.

Core Rules

- The subjunctive expresses the speaker's attitude toward the information, not just time.
- Common triggers: penso che, credo che, spero che, voglio che, è possibile che, è importante che.
- If the subject is the same, Italian often uses di + infinitive instead: Spero di partire.
- Spoken Italian sometimes replaces the subjunctive with indicative, but formal standard Italian maintains it in many contexts.

Model Sentences

- Penso che sia vero. - I think it is true.
- Spero che tu stia bene. - I hope you are well.
- È importante che studiate. - It is important that you study.
- Voglio che venga domani. - I want him/her to come tomorrow.

Mini Vocabulary

- congiuntivo = subjunctive
- sperare = to hope
- credere = to believe
- possibile = possible
- importante = important

Study Note

- The congiuntivo presente is used in many subordinate clauses after expressions of opinion, doubt, emotion, desire, necessity, and uncertainty. It is especially common after che.

LESSON 28 - PRACTICE

Present Subjunctive: Introduction

Common errors, guided practice, and independent production

Common error	Correct form	English explanation
Penso che è vero. formal standard	Penso che sia vero.	Opinion trigger often takes subjunctive.
Voglio che tu vieni.	Voglio che tu venga.	venire subjunctive is venga.

Guided Practice - answer without looking at the key

1. Subjunctive of essere / lui.	2. Subjunctive of avere / lei.
3. Subjunctive of fare / io.	4. Translate: I hope you are well.
5. Translate: It is important that you study.	6. Same subject: I hope to leave.
7. Name one subjunctive trigger.	8. Write one sentence with che + subjunctive.

Mastery Challenge

- Write 5 original Italian sentences using the grammar from this lesson.
- Translate each sentence into English and underline the target structure.
- Read the Italian sentences aloud twice to connect grammar with pronunciation.

Answer Space / Personal Notes

- _____
- _____
- _____
- _____

Remember

- The congiuntivo presente is used in many subordinate clauses after expressions of opinion, doubt, emotion, desire, necessity, and uncertainty. It is especially common after che.

LESSON 29 - CORE ITALIAN

Passive Voice and SI Impersonale

Italian examples with clear English explanations

Learning Objectives

- Understand the main rule system for passive voice and si impersonale.
- Recognize the pattern in Italian examples and explain it in English.
- Use the target structure accurately in short spoken and written sentences.

Concept	English explanation	Italian example + English meaning
passive	essere + past participle; participle agrees with subject.	La porta è chiusa. = The door is closed.
agent	Use da to introduce the performer.	Il libro è scritto da Elena. = The book is written by Elena.
si impersonale	si + third-person singular for general people.	In Italia si mangia bene. = People eat well in Italy.
si passivante	With a plural noun, the verb may be plural.	Si vendono case. = Houses are sold / Houses for sale.

Core Rules

- In true passive clauses, the grammatical subject receives the action.
- The participle agrees with the passive subject: le lettere sono state scritte.
- Si impersonale avoids naming a specific subject and is very common in signs/instructions.
- With reflexive-looking forms, context helps distinguish passive/impersonal uses.

Model Sentences

- La cena è preparata da Marco. - Dinner is prepared by Marco.
- Qui si parla italiano. - Italian is spoken here.
- Si vendono biglietti. - Tickets are sold.
- La strada è stata chiusa. - The road was closed.

Mini Vocabulary

- passivo = passive
- chiuso = closed
- vendere = to sell
- preparare = to prepare
- da = by / from

Study Note

- Italian can form the passive with essere + past participle, often with da for the agent. It also frequently uses si constructions to express general or impersonal meaning.

LESSON 29 - PRACTICE

Passive Voice and SI Impersonale

Common errors, guided practice, and independent production

Common error	Correct form	English explanation
La porta è chiuso.	La porta è chiusa.	Participle agrees with feminine subject.
Qui si parlano italiano.	Qui si parla italiano.	Impersonal with language uses singular verb.

Guided Practice - answer without looking at the key

1. Translate: The door is closed.	2. Translate: The book is written by Anna.
3. Translate: Italian is spoken here.	4. Translate: Houses are sold.
5. What preposition introduces the agent?	6. Does the passive participle agree with the subject?
7. Write one si impersonale sentence.	8. Write one passive sentence.

Mastery Challenge

- Write 5 original Italian sentences using the grammar from this lesson.
- Translate each sentence into English and underline the target structure.
- Read the Italian sentences aloud twice to connect grammar with pronunciation.

Answer Space / Personal Notes

- _____
- _____
- _____
- _____

Remember

- Italian can form the passive with essere + past participle, often with da for the agent. It also frequently uses si constructions to express general or impersonal meaning.

LESSON 30 - CORE ITALIAN

Connectors and Complex Sentences

Italian examples with clear English explanations

Learning Objectives

- Understand the main rule system for connectors and complex sentences.
- Recognize the pattern in Italian examples and explain it in English.
- Use the target structure accurately in short spoken and written sentences.

Concept	English explanation	Italian example + English meaning
addition	e, inoltre, anche.	Studio italiano e francese.
contrast	ma, però, tuttavia, invece.	È caro, però è bello.
cause/result	perché, quindi, perciò.	Piove, quindi resto a casa.
condition/time	se, quando, mentre, appena.	Se ho tempo, vengo. = If I have time, I come.

Core Rules

- A comma often separates longer clauses but is not automatically required before every connector.
- Perché introduces reason; quindi/perciò introduce result.
- Sebbene/benché normally trigger the subjunctive in formal Italian.
- Use varied connectors to avoid repetitive short sentences.

Model Sentences

- Studio molto perché ho un esame. - I study a lot because I have an exam.
- È stanco, ma continua a lavorare. - He is tired, but he keeps working.
- Quando arrivo, ti chiamo. - When I arrive, I will call you.
- Sebbene sia difficile, provo. - Although it is difficult, I try.

Mini Vocabulary

- perché = because / why
- quindi = therefore / so
- però = however / but
- mentre = while
- sebbene = although

Study Note

- Connectors organize ideas and make Italian writing more natural. Coordinating and subordinating words express addition, contrast, cause, result, condition, and time.

LESSON 30 - PRACTICE

Connectors and Complex Sentences

Common errors, guided practice, and independent production

Common error	Correct form	English explanation
perché = therefore	perché = because; quindi = therefore	Choose connector by logical relation.
Using e in every sentence	Use varied connectors such as inoltre, però, quindi.	Variety improves cohesion.

Guided Practice - answer without looking at the key

1. Choose cause: perché / quindi.	2. Choose result: perché / quindi.
3. Translate: but/however.	4. Translate: while.
5. Complete: ___ ho tempo, vengo.	6. Translate: Although it is difficult, I try.
7. Join: Studio. Ho un esame.	8. Write a 3-sentence paragraph using two connectors.

Mastery Challenge

- Write 5 original Italian sentences using the grammar from this lesson.
- Translate each sentence into English and underline the target structure.
- Read the Italian sentences aloud twice to connect grammar with pronunciation.

Answer Space / Personal Notes

1. _____
2. _____
3. _____
4. _____

Remember

- Connectors organize ideas and make Italian writing more natural. Coordinating and subordinating words express addition, contrast, cause, result, condition, and time.

REVISION 01

Foundations Review

Mixed practice - complete without looking back at the lessons.

No. / Topic	Question
1. Italian Alphabet and Pronunciation	How is "ci" usually pronounced?
2. Italian Alphabet and Pronunciation	What does "ch" do before e/i?
3. Italian Alphabet and Pronunciation	What is special about double consonants?
4. Greetings and Introductions	Translate: Good evening, madam.
5. Greetings and Introductions	Ask informally: What is your name?
6. Greetings and Introductions	Answer: My name is Luca.
7. Subject Pronouns and ESSERE	Complete: Io ___ stanco.
8. Subject Pronouns and ESSERE	Complete: Tu ___ gentile.
9. Subject Pronouns and ESSERE	Complete: Noi ___ qui.
10. AVERE and Common Expressions	Complete: Io ___ fame.
11. AVERE and Common Expressions	Complete: Voi ___ due figli.
12. AVERE and Common Expressions	Translate: She is 30 years old.

Writing Task

- Write 70-100 words in Italian using at least four grammar points tested on this page.
- Underline the target structures and add a short English note naming each rule.

Self-Assessment

- 10-12 correct: strong control - continue to the next review.
- 7-9 correct: good progress - review repeated errors.
- 4-6 correct: return to the related lesson tables.
- 0-3 correct: restudy the English explanation and model sentences first.
- Writing check: verb tense, pronouns, articles, agreement, and prepositions.

REVISION 02

Nouns, Articles & Present Verbs

Mixed practice - complete without looking back at the lessons.

No. / Topic	Question
1. Nouns: Gender and Number	Make plural: libro.
2. Nouns: Gender and Number	Make plural: casa.
3. Nouns: Gender and Number	Make plural: studente.
4. Definite and Indefinite Articles	Choose: ___ studente (il/lo).
5. Definite and Indefinite Articles	Choose: ___ amico (il/l').
6. Definite and Indefinite Articles	Choose: ___ case (le/i).
7. Regular Present-Tense Verbs	Conjugate parlare for io.
8. Regular Present-Tense Verbs	Conjugate parlare for noi.
9. Regular Present-Tense Verbs	Conjugate prendere for loro.
10. Common Irregular Present Verbs	Complete: Io ___ (andare) a casa.
11. Common Irregular Present Verbs	Complete: Noi ___ (fare) sport.
12. Common Irregular Present Verbs	Complete: Loro ___ (venire) domani.

Writing Task

- Write 70-100 words in Italian using at least four grammar points tested on this page.
- Underline the target structures and add a short English note naming each rule.

Self-Assessment

- 10-12 correct: strong control - continue to the next review.
- 7-9 correct: good progress - review repeated errors.
- 4-6 correct: return to the related lesson tables.
- 0-3 correct: restudy the English explanation and model sentences first.
- Writing check: verb tense, pronouns, articles, agreement, and prepositions.

REVISION 03

Agreement, Questions & Prepositions

Mixed practice - complete without looking back at the lessons.

No. / Topic	Question
1. Adjectives: Agreement and Position	Make feminine: italiano.
2. Adjectives: Agreement and Position	Make masculine plural: piccolo.
3. Adjectives: Agreement and Position	Make plural: interessante.
4. Questions and Negatives	Make negative: Parlo francese.
5. Questions and Negatives	Ask: Where do you live?
6. Questions and Negatives	Ask: When does the course start?
7. Numbers, Dates, and Time	Write 14 in Italian.
8. Numbers, Dates, and Time	Write 27 in Italian.
9. Numbers, Dates, and Time	Translate: It is 3:30.
10. Simple and Articulated Prepositions	Choose: ___ Roma (a/in).
11. Simple and Articulated Prepositions	Choose: ___ Italia (a/in).
12. Simple and Articulated Prepositions	Contract: di + la.

Writing Task

- Write 70-100 words in Italian using at least four grammar points tested on this page.
- Underline the target structures and add a short English note naming each rule.

Self-Assessment

- 10-12 correct: strong control - continue to the next review.
- 7-9 correct: good progress - review repeated errors.
- 4-6 correct: return to the related lesson tables.
- 0-3 correct: restudy the English explanation and model sentences first.
- Writing check: verb tense, pronouns, articles, agreement, and prepositions.

REVISION 04

Possession, Demonstratives & Reflexives

Mixed practice - complete without looking back at the lessons.

No. / Topic	Question
1. Possessive Adjectives and Pronouns	Translate: my house.
2. Possessive Adjectives and Pronouns	Translate: our books.
3. Possessive Adjectives and Pronouns	Translate: her sister.
4. Demonstratives and C'È / CI SONO	Choose: ___ libro (quel/quello).
5. Demonstratives and C'È / CI SONO	Choose: ___ studente (quel/quello).
6. Demonstratives and C'È / CI SONO	Translate: this house.
7. Modal Verbs: POTERE, DOVERE, VOLERE, SAPERE	Complete: Io ___ parlare italiano.
8. Modal Verbs: POTERE, DOVERE, VOLERE, SAPERE	Complete: Noi ___ partire presto.
9. Modal Verbs: POTERE, DOVERE, VOLERE, SAPERE	Translate: They want to travel.
10. Reflexive Verbs and Daily Routine	Conjugate alzarsi for io.
11. Reflexive Verbs and Daily Routine	Conjugate alzarsi for noi.
12. Reflexive Verbs and Daily Routine	Translate: She gets dressed.

Writing Task

- Write 70-100 words in Italian using at least four grammar points tested on this page.
- Underline the target structures and add a short English note naming each rule.

Self-Assessment

- 10-12 correct: strong control - continue to the next review.
- 7-9 correct: good progress - review repeated errors.
- 4-6 correct: return to the related lesson tables.
- 0-3 correct: restudy the English explanation and model sentences first.
- Writing check: verb tense, pronouns, articles, agreement, and prepositions.

REVISION 05

Pronouns & Passato Prossimo

Mixed practice - complete without looking back at the lessons.

No. / Topic	Question
1. Direct Object Pronouns	Replace: Vedo Marco.
2. Direct Object Pronouns	Replace: Vedo Maria.
3. Direct Object Pronouns	Replace: Comprò i libri.
4. Indirect Object Pronouns	Replace: Scrivo a Maria.
5. Indirect Object Pronouns	Replace: Telefono a Luca.
6. Indirect Object Pronouns	Replace: Parliamo ai ragazzi.

3. _____
4. _____
5. _____

Review these five forms again tomorrow and after one week.

REFERENCE

Italian Grammar Quick Guide

One-page review before writing, speaking, or an examination

Articles	il/lo/l'/la; plural i/gli/le. Indefinite: un/uno/una/un'.
Gender & plural	Common patterns: -o→-i, -a→-e, -e→-i; learn exceptions with the article.
Essere	sono, sei, è, siamo, siete, sono.
Avere	ho, hai, ha, abbiamo, avete, hanno; used for age and many states.
Present verbs	-are: -o/-i/-a/-iamo/-ate/-ano; -ere: -o/-i/-e/-iamo/-ete/-ono; -ire similar with -ite.
Adjectives	Agree with noun gender and number: ragazzo italiano / ragazza italiana.
Prepositions	a Roma; in Italia; dal medico; sul tavolo; articulated forms combine with articles.
Direct pronouns	mi, ti, lo/la, ci, vi, li/le; usually before a conjugated verb.
Indirect pronouns	mi, ti, gli/le, ci, vi, gli; common with dare, dire, scrivere, telefonare.
Ci / Ne	ci often = there; ne often = of it/them or a quantity.
Passato prossimo	avere/essere + participle: ho studiato; sono andato/a.
Imperfetto	Background/habit/ongoing past: parlavo, prendevo, dormivo; essere → ero.
Future	parlerò; prenderò; dormirò; irregular: sarò, avrò, farò, verrò.
Conditional	vorrei, potrei, dovrei; polite requests and hypothetical results.
Subjunctive	Common after opinion, desire, doubt, emotion: penso che sia; voglio che venga.

Final Editing Checklist

1. Do articles and adjectives agree with the noun?
2. Is the verb conjugated for the correct subject and tense?
3. Are object pronouns in the correct position?
4. Did you choose passato prossimo vs imperfetto by meaning, not by translation alone?

Next Steps

- Review your five most frequent errors, create ten new Italian sentences, and use them in a short conversation or paragraph. Repeated production is what turns grammar knowledge into language skill.
